EXPERIENCE

Pinnacle Mining / Front-End Developer & UI Designer — Los Angeles, CA
Globally Crowdfunded Bitcoin Mining Platform — *Apr 2018 - Nov 2018*

- ➔ Redesigned UI from prototype to final product using Adobe XD and built front-end of responsive web application using HTML5, CSS3, JavaScript, and jQuery
- ➔ Defined navigation, user workflows, and user-centered layout designs through wireframe development and interface mockups
- ➔ Collaborated with lead back-end engineer to build new features that merged client and user needs

Exotic Wings & Things / General Manager — Birmingham, AL
American Quick Service Restaurant — *Jun 2017 - Aug 2018*

- ➔ Operated a 1.4 million dollar restaurant with responsibilities of controlling inventory levels, lowering costs, and supervising 15 employees
- ➔ Enhanced operational success through effective staffing, training, and ensuring well-timed customer service
- ➔ Accountable for budget control, payroll, and profit/loss

Thinkful / Program Manager — Atlanta, GA
Educational Institution for Web Development & Data Science — *Apr 2017 - Mar 2018*

- ➔ Identified areas to improve and streamline in the e-Learning platform, student experience, processes, curricula, internal tools and workflows for the Full-Stack (MERN) Flexible Web Development Program
- ➔ Managed students and their web developer mentors to ensure timely progress and use of effective project management strategies on their capstone application projects
- ➔ Organized bi-weekly community events and workshops for local students and developers
- ➔ Supported onboarding of new team members by creating reusable tools and style guides

Thinkful / Full-Stack Web Development Student — Atlanta, GA
Web Development Intensive — *Nov 2016 - Feb 2017*

- ➔ Designed and developed full stack applications with advanced React + Redux concepts
- ➔ Built RESTful APIs with CRUD functionality using Node
- ➔ Implemented industry best practices and standards with senior engineer mentorship

PREVIOUS EXPERIENCES

- ➔ SEO consultant for Atlanta-based cosmetic surgeons and medical spas from 2015 to 2016
- ➔ Customer service representative for American Container Inc. from 2013 to 2015
